WHAT IS A WHITE MASS? The tradition of the White Mass in the United States finds its origins in the development of the national Catholic Medical Association in the early 1930s. The White Mass, so named by the color worn by those in the healing profession of medicine, is held in recognition of the dedicated work of healthcare professionals and to ask God's blessing upon patient, doctor, nurse, and caregiver. All healthcare workers and their families are invited to attend the White Mass. **Attire is business casual;** (not required to wear a white coat). Please consider joining and supporting the largest organization of Catholic health care workers at:
